

If you are playing the Hall Crystal Flute in B<sub>b</sub>, this chart will play the exact notes shown below. As an option, you may prefer to use the D chart as a transposing chart. The D fingering chart is standard because it places the notes in the center of the music staff and makes the music easier to read. The keys of D and G are also common keys for Irish and folk music.

**B<sub>b</sub> Major Scale**

Primary scale

CRYSTAL B<sub>b</sub>

**E<sub>b</sub> Major Scale**

Secondary scale

CRYSTAL B<sub>b</sub>

**The Full Chromatic Scale**

CRYSTAL B<sub>b</sub>
